Bronze Digital Showroom

Our marketing packages «Digital Showroom», are designed to help you promote your presence at EXPO Ferroviaria 2025 on the official website before, during and after the show. The «Bronze Digital Showroom» allows you to create a complete company profile in the official exhibitor list.

App Emperia lead retrieval

To scan your visitors' badges and collect information from all new contacts, all you need is your smartphone! With the Emperia app, you will no longer need to collect business cards!

Exhibitor Dashboard

The dashboard enables you to take a data-driven approach to measuring your performance, get concrete recommendations for improving your profile and increase your investment at the show.

TOTAL PRICE: € 3.500

+ VAT if applicable
